In order to dissolve a corporation, we must request consent to dissolution from the Tax Department. The Tax Department will not consent to the dissolution of a business corporation unless the Franchise Tax Returns are filed and its Franchise Taxes are paid. Also, any liability for other taxes administered by the Tax Department must be satisfied. If there are delinquent returns or tax liabilities, the Tax Department will notify us upon the request for consent to dissolution. Once the consent to dissolution has been granted, we will then submit the Certificate of Dissolution for filing with the Secretary of State. You will be charged a Special Agency Clearance fee, regardless of whether consent is granted.
